Diggity Dawgs Volleyball League Parent's Handbook 2011-2012

Parents,

We are excited to offer this league to the youth (ages 9-10 and 11-12) in our community! This program will encourage more growth and development for our players. We will practice once a week. We will also have scrimmages scheduled throughout the season. Some scrimmages may fall on the day of a normally scheduled practice, while others may be on a different day and at a different location. We also plan on attending half day tournaments. The season will come to a conclusion with the YMCA hosted Shamrock Classic Volleyball Tournament on March 17th.

Please understand that the practice schedule is inconsistent because of gymnasium renovations. Other programs had to be pushed back which has caused some scheduling conflicts. Next year we will do our best to have a consistently scheduled practice time throughout the season.

Half Day Tournaments

There are several half day tournaments we have the opportunity to participate in. There are extra costs for parents associated with these tournaments. Exact amounts will vary. See below:

- Your own travel/food expenses
- Team registration
- One day membership to be allowed to participate
- Coaching costs (some tournaments will have to be coached by volunteer parents and therefore will have no coaching costs)
 - Pay and travel/food expenses

Shamrock Tournament

This is scheduled for Saturday, March 17th at North Henderson High School. We will need parents to volunteer to help with things such as set up/tear down, concessions, etc. Diggity Dawg teams will pay a reduced registration fee. We would like to form a planning committee for this tournament with parents.

Uniforms

The Y will provide a uniform for our teams. We are still currently pricing them out so we do not have more information on this.

Cost

Members: \$95

Non-members: \$115
