

We build strong kids, strong families, strong communities.

## Youth Sports Objectives:

1. Develop self-confidence, self-respect, and an appreciation of your own worth as an individual.
2. Develop a faith for daily living based on the teachings of Jesus so that you may achieve your highest potential as a child of God.
3. Grow as a responsible member of your family and as a citizen of your community.
4. Appreciate that health of mind and body is a sacred gift and that physical fitness and mental well-being are conditions to be achieved and maintained.
5. Recognize the worth of all people and work for interracial and inter-group understanding.
6. Develop your capacity for leadership and use it responsibly in your own groups and community life.
7. Develop a sense of world-mindedness and work for world-wide understanding.

**Over the last 2 years** we have seen over 500 children through our Youth Sports Programs. Our goal is to continue to increase that number this year under the leadership of Youth & Adult Sports Director, Brandon Gilmore.
