

**FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

Youth Sports Objectives:

1. Develop self-confidence, self-respect, and an appreciation of your own worth as an individual.
2. Develop a faith for daily living based on the teachings of Jesus so that you may achieve your highest potential as a child of God.
3. Grow as a responsible member of your family and as a citizen of your community.
4. Appreciate that health of mind and body is a sacred gift and that physical fitness and mental well-being are conditions to be achieved and maintained.
5. Recognize the worth of all people and work for interracial and inter-group understanding.
6. Develop your capacity for leadership and use it responsibly in your own groups and community life.
7. Develop a sense of world-mindedness and work for world-wide understanding.

Over the last 2 years we have seen over 550 children through our Youth Sports Programs. Our goal is to continue to increase that number this year as we want to reach as many kids as possible with our safe, fun, and positive learning environment.
